

## **GEOG 030: Geographic Perspectives on Sustainability and Human-Environment Systems**

### **Learning Activity Grading Rubric (10 points each assignment)**

The following will be used to evaluate your blog entries (Learning Activities) to the GEOG 030 Community Blog - "Your Perspectives".

<b>Description</b>	<b>Pts Available</b>
Did not complete the activity	0
Completed the activity	3
<p>Blog entry tends to be more description of what was learned, with limited (or no) reflection on your thoughts about what you learned and how you might apply it.</p> <p>The assignment prompt is addressed but at a superficial level. The assignment is completed at a below-average level in terms of planning and completion.</p>	6
<p>Blog entry provides a description of what you learned and does include reflection on your thoughts about what you learned and how you might apply this. However, this reflection lacks the amount or quality of support that helps to establish why or how you came to the conclusion you did.</p> <p>The assignment prompt is addressed satisfactorily.</p>	8
<p>Blog entry is not only or not necessarily what you learned, but more what you are thinking about what you learned (how you might apply it in your own lives, questions you have, etc.).</p> <p>The entry has addressed the assignment prompt fully and expresses your ideas clearly showing originality.</p>	10
